## AlumierMD facials

### GLOW GETTER \$200

Best skin types: Dry, Normal, Oily, Acne, Dehydrated, Anti-Aging

This multipurpose resurfacing treatment combines the powers of multiple acids and peptides that visibly even skin tone, smooths and refines texture while instantly unveiling a glowing complexion with less downtime. Best for those who want to address hyperpigmentation, fine lines & overall rejuvenation.

### RED CARPET 30 \$200

Best skin types: Hyperpigmentation, Uneven skin tone, Dull skin & Fine lines

Maximize your exfoliation treatment with a blend of Alpha hydroxy acids and fruits enzymes for total skin renewal. Deeply nourishing mask included to help boost cell turnover and stimulate collagen, and improve skin texture. Targets multiple skin conditions including: fine lines, uneven skin tone and large pores. Great for first-timers with sensitive skin.

### REJUVENATION \$149

Choose between dermaplane or Hydradermabrasion for a physical exfoliation, followed by a fruit enzyme treatment to promote skin renewal and hydration, LED therapy and customized mask also included. Results have shown reduction in skin impurities while soothing and maintaining hydration.

### CLARIFYING \$149

Acne targeted facial. Begin with a skin analysis. Start with a detoxifying treatment for pore penetration and exfoliation, extractions, and refining mask to purify skin and high-frequency included. This treatment includes brightening enhancers followed by targeted serums for skin concerns. Results have shown reduction in appearance of blemishes/excess oil while soothing and preventing new breakouts.
